registered E-mail  
brought to you by Satswana

Send your e-mail and letters as  
secure and legally compliant  
electronic mail.

## Trusted and binding e-mail communication by regimail

- turns e-mail into a secure electronic letter
- processing works with any e-mail address
- automatic confirmation of receipt allows transparency
- can be traced at any point of time by the transaction register
- legally compliant with the Data Protection Act
- easy to integrate to existing e-mail solutions within the company
- web-based or a plug-in to existing e-mail applications e.g. Outlook, Lotus Notes, Thunderbird, Android, Blackberry or iPhone.

E-mail lacks both security and an audit trail for many business users. Furthermore, it cannot guarantee that the contents have not been manipulated. This is why businesses spend millions annually on Registered Mail or courier services. Using regimail turns e-mail into a secure electronic letter with automatic confirmation of receipt. regimail meets all the requirements of secure electronic business communication.
